

世界之最

全世界最廣闊的是豁略大度的胸襟，當別人做錯事或得罪自己的時候，海量汪涵的人通常能夠給別人改過的機會。

全世界最堅挺的是清高脫俗的風骨，有骨氣的人在物慾橫流的塵世中，能堅持自己的原則而不為世情所動。

全世界最高聳的是直插入雲的理想，有壯志凌魂的人會不斷向上掙扎，力求攀到雲霄的巔峰。

全世界最堅韌的是百折不撓的毅力，有毅力的人不怕荊棘叢叢或汗流披面，儘管朝著目標努力前進。

全世界最巨大的是躊躇滿志的信心，有自信的人更能開拓一己的潛能，並將自己的才華發揮得淋漓盡致。

全世界最發達的是創意無限的腦袋，腦筋靈活的人能開天闢地，為人類啟動新紀元，在歷史中寫上新的一頁。

全世界最純潔的是能辨善惡的良知，心地善良的人能多為別人設想，知應為而為，不應為而不為。

全世界最威猛的是豪氣縱橫的勇氣，勇敢果斷的人能接受挑戰和承擔責任，不怕困難和阻擋，一股作氣地把敵人打個落花流水。

全世界最綿長的是千載不變的友情，心中有情的人就算相隔萬水千山，仍會給你呈獻不斷的祝福，引發你無限的思念。

全世界最奧秘的是難於捉摸的愛情，有情人自甘墮入情網，為情喜，為情悲，愛恨糾纏不清還是難捨難離。

世界最深邃的是不望回報的親情，有親情維繫的家園特別溫馨，在瀾漫著輕渺炊煙的房舍中，一家人閒話家常，彼此虛寒問暖，其樂融融。

THE UTMOST OF THE WORLD ■ Dr. Vivian Lo

The broadest thing in the world is the bosoms we have. With them, we may forgive those who offend us allowing them to correct their mistakes.

The hardest thing in the world is our backbones which help sustain our principles that would not be moved in the over-materialistic world.

The highest thing in the world is our ideals for they propel us to work hard until we reach the peak.

The most elastic thing in the world is our perseverance that accompanies us to struggle through hardships and difficulties and strive toward our goals.

The biggest thing in the world is our self-confidence with which we stretch our potential and have our ability fully expressed.

The most developed thing in the world is our brains that guide us to explore new land, commence a new century and write a new page in history.

The purest thing in the world is our conscience. Bearing kind hearts, we are likely to consider others' situations and know what we should or should not do.

The fiercest thing in the world is our courage that enables us to face challenges and shoulder responsibilities without fearing obstacles but completely defeat our enemies.

The longest thing in the world is the unchangeable friendship that links people's hearts no matter how far they are apart. You are blessed by the friends who are always in your hearts.

The most secret thing in the world is love. Many of us would be willing to fall into its net whether its experience is pleasurable or painful. Although you are troubled by the entanglements of its thread, you may not be willing to get rid of it.

The profoundest thing in the world is affection among family members for its fragrance strengthens the wall of your house in which you chat with other members with joy and happiness.
